

# Aptus

The art of  
effortless  
business travel

Business travel,  
designed to be  
smoother,  
more comfortable  
and better at  
moving business  
forward.

Choose travel  
partners better.

Use benefits  
more effectively.

Make travel  
more reliable.

Contact us

Aptus makes business travel smoother and more valuable - through better travel partners, smarter status utilization and higher upgrade opportunities.

Many frequent travellers use hotels and airlines, status levels, benefits, points / miles - but without a clear overall strategy.

Aptus creates better travel decisions:

smarter status utilization, more benefits, higher upgrade opportunities and less friction in day-to-day travel.
